2011 Michigan Heart Gallery Grand Opening Event

March 26, 2011

Evangel Ministries

13660 Stansbury Ave, Detroit

11AM-2PM

The Michigan Heart Gallery Grand Opening Event is taking on a new look for 2011. This year, we have a very specific goal in mind: recruit new foster and adoptive parents and get them started with the adoption process before they leave the event!

In order to accomplish this goal, the Michigan Adoption Resource Exchange is looking to partner with Michigan adoption agencies the day of the event. The opening will consist of a program with inspirational speakers, the debut of the 2011 Heart Gallery display and video, and a call to action for all in attendance: Take the first step towards providing a forever family for a waiting child. Participants will then be directed to talk with local adoption agency staff and sign up for an orientation before they leave.

Participating agencies will be provided with a table to display recruitment literature, sign attendees up for orientations and provide staff members to answer questions and talk with the public. It is also recommended that agencies bring along an experienced adoptive parent to talk with prospective parents about their experiences.

Please complete the attached registration form to reserve your table. Once your registration is received and processed by MARE, you will receive a confirmation email with detailed information about the event.

Please contact Heidi Raubenolt, MARE Program Manager at 800-589-6273 or [heidi\\_raubenolt@judsoncenter.org](mailto:heidi_raubenolt@judsoncenter.org) with questions. Thank you for partnering with us for Michigan's waiting children!

**2011 Heart Gallery Agency Registration Form**

There is no cost for a recruitment table at this event; however, your agency must be willing to commit to the following:

- ✓ Provide upcoming orientation dates to attendees and sign them up at the event
- ✓ Have the capacity to follow up with and serve interested families recruited at the event
- ✓ Maintain a list of interested families from this event and share this information with MARE for tracking purposes
