Reclaiming Youth International (RYI) is dedicated to helping adults better serve children and youth who are in emotional pain from conflict in the family, school, community, or with self. The Circle of Courage® provides the philosophical foundation for the work of RYI. It suggests that children and youth do well when their needs of belonging, mastery, independence and generosity are met.

Reclaiming Youth equips adults to work with today’s youth through annual seminars, educational trainings and consultation, and our professional bookstore. We are a 501 (c) 3 non-profit organization. Contact us to make your tax deductible donation.
